

# PARIS, FRANCE 2018

## The Advantages of Travel

- ★ France is a beautiful country with lots to offer whether you are travelling to study or visiting for a holiday. Being able to speak French will serve you very well during your stay, as there will be many opportunities to practice your skills as you enjoy the exciting cultural events and popular tourist attractions the city has to offer.
- ★ In order to master a new language, conversations with native and fluent speakers are essential. Practicing your speaking skills is an empowering experience, and a doorway to making new friends, expanding your horizons and broadening your life experiences.
- ★ Bilingualism is progressively becoming a necessary and essential skill for anyone who wants to keep up with today's rapidly increasing global connectivity.
